

Livingston County... Meeting Expectations

Welcome to the Meeting Planners Guide, the definitive planning tool and research manual for Livingston County. This guide will save you valuable time and seemingly endless effort in researching meeting venues, checking availability, and soliciting competitive requests for proposals. All of these time consuming tasks can be done for you **free** of charge as described in this section.

Livingston County is ideally located at the main arterial highways of US 23, I-96 and M-59. Event attendees requiring access to a major airport will find it is a convenient 40 minute drive from Bishop International Airport in Flint and an hour drive from Detroit Wayne County Metropolitan Airport (Metro Airport).

With over 900 hotel rooms in the county and more than 30 meeting facilities to choose from, Livingston County can accommodate indoor groups of up to 1,200 people and has hosted outdoor events for over 4,000. Livingston County offers a dynamic mix of traditional and non-traditional meeting and event venues all listed in this guide in the Meeting Facilities section.

Are you tired of the daunting task of creating themed ice-breaker events and group or spouse tours? It has already been done for you, as you will note when you peruse the Off-Site Events & Tours section. For where else can you go from Heaven (Heavenly Scent Herb Farm tour) to Hell (BBQ at Hell Creek Ranch) in the same county?

Imagine your board of directors in a tranquil woodland setting for their strategic planning session or board retreat. One venue offers an on-site high ropes adventure course and climbing wall challenge, the perfect team building accompaniment to these important gatherings.

Over 50,000 acres of parks guarantee outstanding four-season recreational opportunities and a wealth of options for both individual and group activities. Groups frequently utilize the many championship golf courses for golf tournaments and our charming downtowns for dine-arounds.

Power shoppers have met their match in Livingston County. Whether exploring the boutiques in the serene setting of the Mill Pond area in downtown Brighton, discovering the architectural ambiance of downtown Howell's specialty shops, or finding a fantastic bargain at one of the more than 80 brand name outlets at the Tanger Outlet Center there is no shortage of shopping options.
